

Flow DOT

A photograph of two dancers in a hallway. They are wearing matching black and white vertically striped long-sleeved shirts. The dancer on the left is leaning forward, looking down. The dancer on the right is also leaning forward, looking down, with their right arm extended upwards and touching the white wall. The background consists of a textured grey wall on the left and a plain white wall on the right.

A 30 minute kinetic art with 2 Dancers

A photograph of two women standing back-to-back in profile, facing opposite directions. They are wearing light-colored, short-sleeved tops and trousers. The scene is dimly lit, with a bright light source from a window behind them, creating a silhouette effect and highlighting the contours of their bodies. The background is dark, and the floor appears to be a dark, polished surface.
